Parish Activity (2) or Peer Leader/Teacher/Youth Group Member* (Year -long requirement)* – Throughout the year numerous parish service opportunities present themselves and encourage our teens to help those in need as well as their own faith community. These might include: set-up and clean-up for parish special events, assistance with fundraisers or our Children’s Christmas pageant, our Christmas Giving Tree, assistance in our religious ed. classrooms or other special projects such as our SuperBowl of Caring, Living Stations of the Cross, Soles for Souls , or our Franciscan Children’s Hospital Easter Drive. We will make these opportunities known throughout the year and expect each teen to volunteer for any two of these projects. Details for each opportunity will be given along with days, times and our parish adult contact. The contact for each event must sign and date your form.

**Some teens prefer to be involved within the parish as religious educators or peer leaders assisting with The Edge. Should your teen prefer that option, the commitment is year- long, but they need not fulfill any additional parish activity requirements unless they wish to do so.*

**This requirement will also be waived for any teen that is involved or becomes involved this year in our parish Youth Ministry program. Regular members attend youth group meetings on Wed. nights from 7-8:15 and youth group outings, events, trips throughout the year. Regular attendance is required.*

Ministry Participation at Mass (2) – The Celebration of the Eucharist is the foundation of our faith. As such, we expect our high school teens to attend Mass regularly. In addition to attending Mass, we ask our teens to get involved in the Mass in a special way by serving as a Greeter or Reader, assisting with the Collection or participating with our Music Ministry at least two times during the year. Any teens wishing to be involved more regularly are absolutely welcome to do so and should speak with Laura directly as other service requirements may be waived. Contacts for each ministry at the 6PM Mass are:

Steve C. – Collections

Lorie G. – Greeters (arrive 10 min. before Mass)

Annie W. – Readers/Lectors

Laura or Megan - Music

Outside Service Opportunity of Your Choice (1) – We are always excited to see our teens share their gifts and talents not just within the parish, but with the many fabulous programs and organizations within our city, our schools and beyond. We expect our teens to find at least one outside opportunity in which they can share their unique talents or interest and or serve an organization or charity that really means something to them personally. Some projects that teens have chosen to assist with in the past are: The Walk for Hunger, Relay for Life, volunteer for Perkin’s School for the Blind, volunteer with Buddy Dog Animal Shelter, others have volunteered as tutors for children in need, as hockey coaches for children with disabilities and have worked with GWARC assisting children with Autism and adults with other disabilities as well initiated and ran clothing or other drives to assist specific organizations to name just a few.

In the space below, please share the opportunity that you have chosen to participate in and share what you have gained from your involvement as well as what you have done that will undoubtedly benefit others. Also, have a contact for your project sign and date below.
